The Flagship Internship Programme

The Flagship Internship Programme

Flagship Asset Management, a specialist global boutique asset manager, invites exceptional students to join our biannual Flagship Internship Programme.

Flagship is about people. We are a partnership. A collection of ethical individuals, collaborating to grow, preserve and protect our clients' investments. By joining our Flagship Internship Programme, the successful applicant will be:

Helping us navigate our clients' investment futures, and will work alongside our global investment professionals, finding out how they take advantage of investment opportunities, no matter where in the world they may find them.

The Flagship Internship Programme affords experiential opportunities for students who are in their final year of study. This two week internship exposes the successful candidate to training and mentorship, via a variety of assignments, from Flagship's Global Investment Team.

Please note that preference will be given to exceptional candidates from designated groups.

Requirements to apply:

- Reside in the greater Cape Town area
- Final year of study/honours/masters in:
Accounting,
Finance,
Business science,
Investment management, or related fields
